How about the "Challenge Token", anyone having any luck? I just started looking Ed told me not to over think the clues, hasn't done me any good, still looking.

August 2017 OTTS Meeting Minutes

Byron opened the meeting with Pledge of Allegiance at 7:00. Minutes of the last meeting were approved as posted on the internet. Two guests were introduced and each said what detectors they used and how they learned of the OTTS. Treasurers report was given of in and out funds and the ending balance and was approved.

Tim S. won a 1944 walking Liberty for the member draw. There were 32 members signed in. The member drawn for the progressive draw was not present, the reward grows another dollar in silver coins. The birthday draw was won by Don S., a 1923 silver dollar.

Nineteen members and one guest participated in the July 30 club hunt. The hunt report is posted separately. Byron called for club tokens, none were presented.

The Holiday dinner was discussed – location, date, time of setup and time of start, and the major kitchen participants. The Board meeting chose to return to sign up for the meeting treats. Also discussed and presented to the membership was the rules for FOTM and a sanction give for violations. Bill B. reinforced the need to play by the rules. Also the winnings for the meeting raffles and FOTM will only be presented in the newsletter with first name and last initial.

Member sharing – Laura worked with the U.S. Forest service Archeologists in the field for a week in California. You may sign up to do that. Its hard work.

Byron D. auctioned off a taxidermy alligator head given to the club from a past member living in Florida. Challenge token clues were given out. Some people are very close to finding it.

In the first finds category, Rick P. found his first gold ever and Randy W. found his first war nickel.

Plinko winners were: 1947 walker-Laura H., 1954 Washington-Laura H., 1936 Merc-Steve E., 1939 Merc-Steve E.
Quarter Drop winners: 1954 Franklin half-Mike M., 1964 Washington-Steve E., 1938 Merc-Steve E., 1944 Merc-Byron D.

Big Raffle results are reported separately, Between the Big Raffle, Plinko, and Quarter Drop Steve E. really cleaned up.

Bill B. reported The FOTM results for this meetings showing. The results are posted separately. But for now, by the response, a lot of people are either are really happy for or are very envious of Tim B and would like to tag along when he hunts. He won 6 out of 10 categories and the Best of the Best, and placed in the top 3 in all 10 categories.

The Oregon Treasure Trail Society was formed in 1982 when five avid hobbyists put \$5 each into the kitty and started the club in an effort to provide an organization that would unite people together with the same interests in metal detecting and searching for coins, tokens, and other small interesting treasures of the past.

Today, we continue to provide a wonderful environment for those interested in this great hobby. Our club provides an opportunity to join with others and enjoy spending time on outings and sharing experiences. Everyone is welcome to attend one of our meetings.
